

# Pen Portraits of Candidates for election to the Supporters Club

## Committee 2008/2009

NAME	PEN PORTRAIT
<b>NERGAARD, Kevin</b>	Hopefully, if elected, my third season as Treasurer for the Supporters Club. I watched my first Falcons game halfway through our promotion season of 96/97 and supported since then, attending virtually every home game and occasional away games. If you liked the way the books are looking, vote for me as Treasurer!
<b>PEAGAM, Emma</b>	A second season as Social Events Rep, but generally representing the voice of youth. Always ready to party. But also well-organised, full of good ideas and ready to muck-in to get things done... And I don't always agree with my dad, in case you are wondering!
<b>ROBERTS, Helen</b>	A massive rugby fan, a Supporters Club member for many years and now, a second season as Fundraiser, if selected, both for charities and the Supporters Club. A season ticket holder in the South Stand and watching rugby is my passion, not least seeing my daughter progress in her women's rugby journey
<b>PEAGAM, Martin</b>	I have enjoyed a busy first year as Chairman of the Supporters Club. We have steadied the financial position of the Club, provided coach travel that is of an improved quality but also cost-effective, and began the process of offering new activities, not least by developing the relationship that we have with the Falcons Club. My wish is to continue developing the Supporters Club to provide the services that you as Falcons supporters want. If you like what I have done so far, please elect me so that I can continue the good work.
<b>SMITHURST, Margaret</b>	Should I be elected, this will mean a fifth season on the Committee for me as secretary. Joining the Committee was a life changing experience and I would like this experience to continue for another year. I organise Player of the Month and send out regular e-zines with Club information, but meeting all the supporters is very special to me. Over the years, I have forged lifetime friendships and got fantastic memories! Please vote for me so I can be your secretary for next season.
<b>TAYLOR, Peter</b>	Last season, I totally redesigned and oversaw the Website, and also assisted in Away Travel. The website now needs to be overhauled and if re-elected, could see the overhaul through to completion. The Committee want to update the service so members can have a visually appealing website, as well as an informative one. I am thoroughly committed to serving the supporters in any way I can, have been an active supporter for over 10 years and, along with my daughter, Becky, are well known around Kingston Park.
<b>RICHARDSON, Steve</b>	First time up for election, being an active member of the Supporters Club more recently. I certainly feel I could help it grow having work experience in arranging travel and events. I'd love to be involved, so pretty please vote me. I am well known and have rarely missed a game, home or away. I have made some great friends, be they falcons or those at various other clubs. My season was capped off by winning Clubman of the Season at the Big Bash, which was a true honour and surprise.
<b>SHAW, Tony</b>	Travel coordinator for last season and a follower of the Falcons since 1996. I am a stalwart of the away trips – having never missed an away trip in the league or cup in six years. I hope to continue to encourage more people to travel and discover what a great experience an away trip is, and can do so, should I be elected on to the Committee.
<b>WALTER, Stef</b>	I have been a "long distance" Falcons supporter for many years. Since moving to the North East, I have been able to be more involved with the Supporters Club, have attended all the home matches this season, travelled to many of the away matches (including Europe). My claim to fame is being captured by Sky TV celebrating our win over Brive with a bottle of champagne raised high above my head. If elected, I would like to encourage others to join the Supporters Club (specifically those who are not from the North-East) so that they too can enjoy the many benefits and fun experiences shared by current members.
